This is a summary of Artistic Freestyle judging results. Remember:

- With the IUF scoring system, scores are given in order to rank riders within one age group. It is not relevant to compare rider scores from different age groups.
- There are no points here, only relative percentages.
- The Performance and Technical judges each have 100% which they split among the competitors (giving more to the better ones).
- These two scores are averaged to create the total score for a competitor.
